# RESORTS WORLD MANILA MESSAGE

Dear Guest,

Welcome to the 2019 PPPoker World Championship Tournament at Resorts World Manila. It is our great pleasure to host this prestigious gathering of some of the brightest stars in the world of Poker.

While you are here at Resorts World Manila, I invite you to experience the fresh and exciting developments we've made this year. Our Grand Wing – located just across the Garden Wing where your tournament will be held – is now open. With it, we have nearly doubled our gaming capacity as well as enhanced it with features specifically geared for high rollers and VIP gamers.

On the hotel front, we have just marked the return of the Philippines' first five-star brand, the Hilton Manila which just opened its doors late last year. I am pleased to announce that we have brought back another five-star flagship brand with the very recent opening of the Sheraton Manila Hotel. The all-suite Hotel Okura Manila is set to join them in just a few months to complete the top notch accommodation options for the Grand Wing.

You have the good fortune of being in RWM as we celebrate our 10th year in the industry. Some of you may know us as the company that started the integrated resort industry in the Philippines and we take great pride in continuing our tradition of innovation in gaming and entertainment tourism.

I hope you can take the time to enjoy the numerous entertainment offerings at our award-winning Newport Performing Arts Theater as well as in our more intimate entertainment venues Bar 360 and El Calle Food and Music Hall, and the state-of-the art Grand Bar. We also have numerous shopping offers at Newport Mall that include everything from luxury Swiss watches to Philippine handicrafts. We can take your taste buds on a trip around the world with delectable dishes from over 50 restaurants spread out across the property.

I wish you the best of luck in your tournament and the most thrilling of stays here at Resorts World Manila.
